Ambra Imaging Portal

pediatrix
MEDICAL GROUP

Access your medical imaging studies with our secure platform, on any device.*

If accessing from a mobile device, download the Ambra app to view your images.
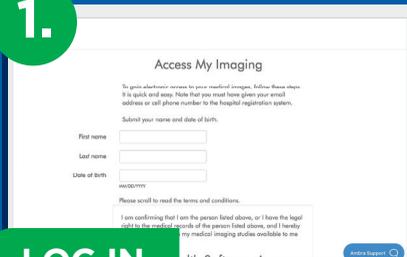

- Note: You will receive an email notification that your exam is available after the exam has been reviewed and finalized by your physician. In some cases, this may be the next business day (24 hours).
- If you are a first-time Pediatrix® patient, please wait until an email is received from Ambra Health to ensure your Ambra patient file has been created and the first study uploaded.

Log in here from your computer: **pediatrixpatient.ambrahealth.com/access.**
Login information will be your last name, first name and date of birth.

IT'S AS EASY AS...

1. **LOG IN**

2. **STUDIES**

3. **IMAGES**

Images
Click the "Images" icon to view your medical images.

Reports
Click the "Reports" link to open any reports associated with your images.

Download
Downloads include images, reports and software for viewing images offline.

Share
Safely share images to an organization, physician or recipient of your choice.
